Domestic

Meter Number	Brand	Size	Last Reading

WAIVER: I hereby agree that Laguna Water has consistently maintained a water pressure level of 20 psi for domestic and industrial water supply up until the taping point of the locator's meter set assembly. Furthermore, I agree to indemnify Laguna Water from any loss and/or damages that may arise from low water level due to undersized water meters.

I also agree that should upgrade and/or replacement of meter set assemblies be needed in the future, expenses incurred shall be assumed by the locators.
